System Requirements For Paper Label Maker:

Story: In a world full of magic and the universal language of spell cards, Jack Gypsy faces off against a member of the voodoo cult -- Death. If Jack doesn't do everything he can to stop him, he will bring back the voodoo priestess, who has a plan to murder everyone at the Gypsy Circus. Jack Gypsy is an independent young magician who performs in the circus. His magic is very strong, but it requires more than just skill and ability. Jack has to be careful of his enemies, who are not normal humans. This is because
